agentic healthcare is here. are you ready? **we are**.

Transform the Patient Experience with Artera Virtual Agents

Artera enhances every stage of the patient journey with AI-powered virtual agents (voice and text) designed for healthcare. Trusted by 900+ provider organizations — including specialty groups, FQHCs, large IDNs, and federal agencies–our virtual agents support front desk staff to improve patient access including self-scheduling, intake, forms, billing and more, engaging 100 million patients annually.

Whether augmenting your team or powering a fully autonomous digital workforce, Artera offers virtual agents that can adapt to your needs — giving you control over how AI enhances your operations.

Scale AI at Your Pace: A Smarter Virtual Agent Approach

Artera provides a flexible suite of AI solutions to enhance patient communication and streamline healthcare operations. Depending on where you are in your journey, start with one option or leverage all three — whatever fits your needs.

Security First. Trust Always.

At Artera, security isn't an afterthought — it's our foundation. Our best-in-class InfoSec approach keeps AI safe, compliant and built for healthcare. Virtual Agent features meet top industry standards — SOC 2 Type 2, HITRUST Certified and HIPAA compliant. Plus, we do not use PHI/PII in training models. Trust the virtual agent company that has proven for a decade that security comes first.

harmony Co-Pilots

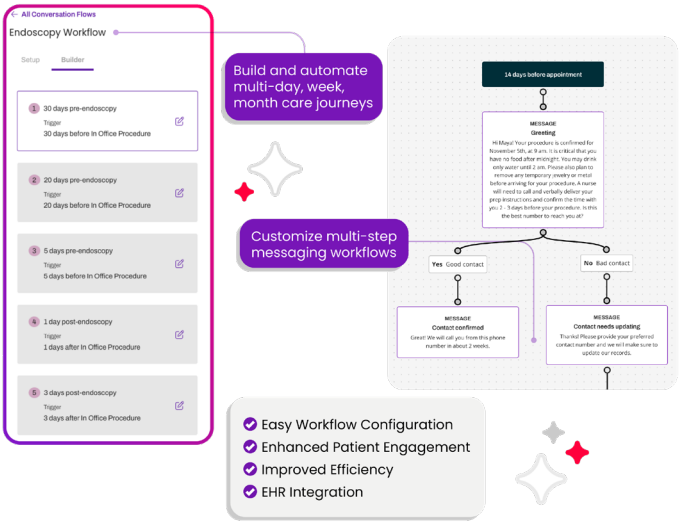

Support Your Staff

Experience Artera's AI-Powered Console with Co-Pilots: Our AI Co-Pilots help staff respond faster and more accurately to patient inquiries with automatic translation, message shortening, conversation summaries and much more.

Flows Agents

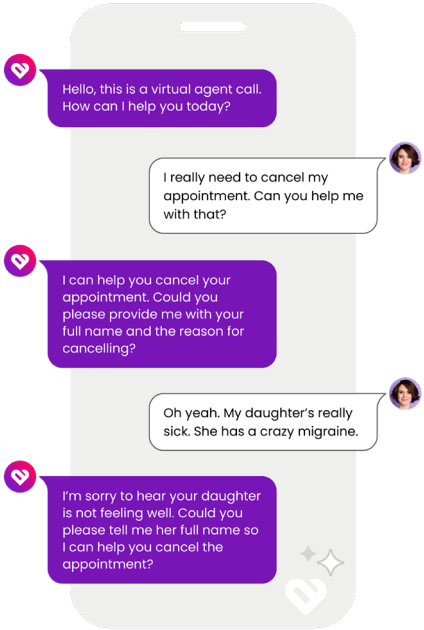

Supercharge Your Staff

Meet Artera's Flows Agents — Intelligent, rules-based AI assistants designed to streamline workflows, enhance efficiency, and improve patient interactions, powered by Natural Language Processing. Your staff remains in control, making the final decisions, while Flows Agents handle execution — automating routine tasks or complex multi-day workflows.

AI Agents

Unleash Your Digital Workforce

Artera's Autonomous AI Agents (voice and text) are your new digital office staff — intelligent, autonomous agents that streamline operations and support decision-making. These dynamic agents work alongside your team, handling whatever tasks you assign to them so your staff can focus on what matters most: delivering exceptional patient care.
